

REBUILDING/REVITALIZING OUR COMMUNITIES

One Dream/One Voice is the Stand for Youth™ Community Empowerment Program. The goal of the program is to spread goodwill throughout the community using *trauma informed* service delivery models.

Programs engage youth and adults of all ages. We work diligently to build and sustain mutually beneficial, healthy and collaborative relationships with community stakeholders such as local residents, businesses, neighborhood associations, schools, religious, civic, and environmental groups, government organizations, health care organizations, other human service providers, and local officials.

NEIGHBORHOOD CLEAN-UPS

We work hand in hand with local residents to clean-up streets, remove excessive debris, address illegal dumping, secure vacant homes, mow lawns and plant fresh fruit, flower, herb and vegetable gardens promoting resource sharing and social enterprise during the process.

REFRESHING OUR COMMUNITIES

HELPING THOSE LESS FORTUNATE

OUR HOMELESS RESIDENTS

Regularly scheduled activities will be held for our homeless residents, including meals, access to local resources, training opportunities, listing of food banks and shelters throughout the city, and assistance in filling out the forms necessary to obtain resources.

RE-ENTRY PROGRAMS

Residents returning to their communities, many parents and relatives of youth participating in our programs, will receive a community orientation, listing of local resources and programs in the community and an overview of current events.

OUR SENIORS

Youth will be provided with an opportunity to assist our seniors in a broad range of areas allowing them to earn service learning hours while providing desperately needed services to the elderly.

LIFTING OTHERS UP

OUTREACH

ADULT LITERACY

We provide residents with literacy courses that improve their ability to read, aligned with high school graduation requirements so that they can obtain their GED. We also provide basic MS Office and Adobe courses, courses on how to leverage the internet and social media and assist residents in filling in forms to obtain resources.

CULTURAL EVENTS

We host community barbecues, book fairs and cultural events, to bring joy and laughter into our communities.

JOB TRAINING

We provide local resources to provide residents with the training and wrap around services needed so they can obtain jobs, empowering them to provide for self and family.
